Student Success

- Develop and maintain a positive and compassionate schoolwide culture that encourages student growth in a positive learning environment.
- Promote student involvement in planning for their continuous growth and lifelong success.
- Provide opportunities for alternative pathways to learning through instructional and socio-emotional support.

Finance and Governance

- Maintain a positive working relationship between the Board and the Administrative team by continually reviewing and revising the strategic plan, school board bylaws and policies required by law.
- Maintain fiscal responsibility by establishing and aligning a budget and healthy fund balance to carry out the school's mission and vision.

High Performing Workforce

- Develop and maintain a positive and compassionate schoolwide culture that encourages professional growth in a collaborative environment.
- Recruit, hire, and retain highly qualified staff.
- Develop staff in the evaluation, interpretation and use of data for effective decision making that aligns with curriculum, instruction, interventions, and assessment.

Technology

- Be a global leader in technology and innovation that positively impacts student engagement, achievement, and college and career readiness.
- Continually work to identify and develop emerging technologies that facilitate, support and enhance instructional success.

Community Partnerships

- Develop and enhance effective partnerships with all stakeholders to ensure involvement in continuous improvement processes that provides opportunities for student success.
