BLUESKY CHARTER SCHOOL POLICY No. 8.10

FACILITIES USE

I. PURPOSE

The purpose of this policy is to establish guidelines regulating the use of school facilities by internal and external groups.

II. POLICY STATEMENT

The Board of BlueSky Charter School recognizes the desirability of having the school's facilities used as much as possible by community groups to promote educational, recreational, cultural and civic activities of the community.

Public school facilities exist primarily for the purpose of serving the educational needs of the youth in the community. No group or organization will be scheduled if the requested use interferes with the regular school programs or school sponsored activities. The Board, or its designee, will determine the most appropriate and available use of the BlueSky Charter School facility space.

III. CLASSIFICATION OF ORGANIZATIONS USING SCHOOL FACILITIES

Organizations using BlueSky Charter School's facilities are classified into either non-BlueSky Charter School Sponsored groups or BlueSky Charter School sponsored groups.

- A. Class A: BlueSky Charter School Sponsored Activities.
- B. Class B: Non-profit youth organizations and athletic associations.
- C. Class C: Non-profit service organizations, colleges/universities, other schools, adult groups, and non-BlueSky Charter School, non-profit based groups.
- D. Class D: Individuals, Private Agencies, Companies and Vendors using BlueSky Charter School Facilities for Commercial Purposes or Profit.

IV. RENTAL FEES

Rental fees for facility usage vary according to the nature and purpose of each group, agency or organization. All other requirements, such as application procedures, standards of conduct during use, supervision, etc., are constant for all user groups regardless of organizational differences.

V. PRIORITIES FOR FACILITY USAGE

A. Uses on Monday through Friday. The Board of BlueSky Charter School supports the use of school facilities by community members of all ages, matching appropriate facilities with the specific needs of user groups while achieving a reasonable balance in use between youth and adult programs. Each facility should be available for a variety of groups and none should be dominated by any one group or organization.

1. Activities provided for BlueSky Charter School students have priority over adults during the early evening hours with the intent not to schedule youth beyond 9:00 p.m. on school nights.
2. Youth will be provided reasonable amounts of time for their programs while every effort will be made to maintain reasonable levels of publicly funded programs for adults.

B. Weekend Uses. To achieve maximum extended day and weekend usage of school facilities with minimum conflict, the following priorities are established:

1. First Priority: All BlueSky Charter School events and activities such as fine arts events, PTA/PTO meetings, athletic events and staff meetings.
2. Second Priority: Community based youth groups
3. Third Priority: Non-profit organizations and/or private groups which provide educational, civic, recreational or charitable activities and do not charge admissions. This area also includes, colleges, universities, and similar educationally based groups that benefit mostly District residents.
4. Fourth Priority: Individuals, private agencies, companies and vendors using school facilities for commercial purposes or profit.

C. Resolving conflicts in scheduling. In the event there are conflicting requests for the same location at the same time, the Board's designee shall utilize a "meet and confer" process to attempt to resolve conflicts and accommodate the needs of concerned groups.

VI. SCHEDULING PROCESS.

The application process and all aspects of scheduling the use of school facilities are administered by the BlueSky Charter School Administrative Assistant.

VII. USE OF SCHOOL EQUIPMENT

Equipment owned by BlueSky Charter School is not included in arrangements for facility use unless specific arrangements are made in advance. Qualified operators (qualifications determined by the Board's designee) must be provided for media equipment.

VIII. SITE SUPERVISION

The user organization is fully responsible for the safety and supervision of the specific space it uses and will assume full liability for any damages keeping in mind the following additional regulations:

- A. All activities must be under competent and responsible adult supervision (as defined as a high school graduate, 18 years old or older) with an overall site supervisor identified prior to the start of the event use.
- B. Admittance to the designated area is not permitted until the adult supervisor is present. BlueSky Charter School personnel on duty will supervise the operation of facilities, but are not required to supervise the group or its activities.
- C. When adult supervision is not adequate, it is the responsibility of BlueSky Charter School personnel to report this information to Board's designee and take immediate action as appropriate.
- D. BlueSky Charter School reserves the right to cancel or withhold use privileges if rules and regulations are violated.
- E. Responsibility for loss, breakage, or repair of any BlueSky Charter School property rests solely with the organization using the facility or leader in charge of the group.
- F. The organizations site supervisor should be the first to arrive and the last to leave the premises at the conclusion of each event.

IX. LIABILITY AND INSURANCE

- A. Users of school facilities shall agree to indemnify BlueSky Charter School for any and all damage to the school or other property by any person or persons attending an activity.
- B. All users are required to assume full responsibility for personal injury to any participants or spectators.

- C. Groups issued a permit are required to submit a certificate of insurance or endorsement for a general liability policy with \$100,000 limits per person, \$300,000 aggregate, naming BlueSky Charter School as the insured or additional insured. Exceptions may be granted but must be approved by the Board's designee. Certificates or endorsements must be mailed directly to the Board's designee a minimum of 21 days prior to the first date of the event or the district has the right to cancel the scheduled event.
